Let's Talk, Heart-to-Heart: WMMC to Host FREE Community Seminar

Warrensburg, MO (Jan. 27, 2017)—February is American Heart Month, and Western Missouri Medical Center (WMMC) and the WMMC Auxiliary are hosting a free community seminar to discuss Matters of the Heart on Wednesday, Feb. 15 from 6:00 pm – 7:00 pm. The event will be held in Conference Room 1 at WMMC, left off the main entrance.

One in every four deaths is a result of heart disease. Learn about your risk factors and how to modify those risks during this free event with Valerie Rader, M.D., Cardiologist at Saint Luke's Cardiovascular Consultants, a partner of WMMC. Dr. Rader will discuss the importance of your heart health, and answer your questions.

WMMC is committed to the health and wellness of residents in Warrensburg and the surrounding communities, and is your partner for matters of the heart.

Seating is limited! Please register by calling Western Missouri Cardiology at (660) 262-7314.

Beverages and light snacks will be provided to attendees.

Western Missouri Medical Center (WMMC) is a fully-accredited acute care county medical center located in Warrensburg, MO. WMMC prides itself in emergency care, obstetrics, orthopedic and general surgery, family healthcare, internal medicine, outpatient clinics, ambulatory care, rehabilitation services and more. Inpatient services include medical, surgical, intensive, obstetrical, orthopedic, pediatric and skilled nursing care, as well as a wide range of therapeutic and diagnostic outpatient services. This institution is an equal opportunity provider and employer.
