WMMC Welcomes Susana D'Amico, MD, Endocrinologist

Susana D'Amico, MD, Endocrinologist, joins the WMMC team.

Warrensburg, MO (May 17, 2017)—Western Missouri Medical Center (WMMC) is pleased to announce that Surgical Services of Warrensburg is now providing Endocrinology services.

Susana D'Amico, MD, Endocrinologist, is now seeing patients every Tuesday from 8:00 am – 4:00 pm.

Dr. D'Amico comes to WMMC with Saint Luke's Health System. She received her medical degree from the University of Central De Venezuela in Caracas, Venezuela and completed her residency at the Hospital of Saint Raphael in New Haven, Ct. She completed her fellowship in Endocrinology at the Baylor College of Medicine in Houston, Tx.

Dr. D'Amico is a diplomate of both the American Board of Internal Medicine and the American Board of Medical Specialties in Endocrinology, Diabetes and Metabolism as well as a Fellow of the American Association of Clinical Endocrinologists.

“Bringing Dr. D'Amico to WMMC will allow us to treat complex conditions and integrate care throughout our community to treat diabetes and other endocrine disorders,” says Darinda J. Reberry, WMMC President/CEO. “She will be an outstanding resource to our patients, community and providers.”

—MORE—

Dr. D'Amico sees adult patients 18 years and above. She practices general endocrinology including diabetes, thyroid disorders, clinical lipidology, and adrenal and pituitary disorders.

Surgical Services of Warrensburg – Endocrinology is located on the third floor of the Medical Office Building at 407 Burkarth Rd, Suite 302, Warrensburg, Mo. To schedule an appointment with Dr. D'Amico, please call (660) 262-7420 or visit WMMC.com for more information.

Western Missouri Medical Center (WMMC) is a fully-accredited acute care county medical center located in Warrensburg, MO.
