SECURING THE FUTURE OF OUR COMMUNITY'S HEALTHCARE

HEALTH INVESTMENT PARTNERS

Health Investment Partners are a group of businesses that have pledged to invest in the future of our regional healthcare. Funds raised through the Health Investment Partners will help support WMMC and its mission to improve the health of our greater community.

WHY SUPPORT IS NEEDED

The demand for new services and technology and the increasing cost of providing uncompensated care, cannot be provided by patient revenue alone. Philanthropic gifts are needed to:

- Ensure local, quality healthcare, remains available
- Continue our history of improving and expanding healthcare
- Acquire and maintain state-of-the-art medical technology

The gift from your business will enrich lives and transform patient care. Ensuring the longevity of healthcare in our region ensures your family, your employees, and their families receive the best healthcare when it's needed. WMMC does receive county tax support, and although this support is greatly appreciated and used wisely, the tax levy covers less than 15% of the annual capital budget.
