THANK YOU SPONSORS!

This evening would not be possible without the generous support of our sponsors. Your contributions help bring this event to life and directly support our mission to improve healthcare in our community.

Because of your partnership, we're able to raise critical funds for the *Empower Through Early Detection Campaign*—an initiative focused on enhancing early breast cancer detection and care at Western Missouri Medical Center. Your generosity helps us make a lasting impact close to home.

We also extend our sincere appreciation to Milestones for providing a beautiful setting for tonight's event, the Nutritional Services team at WMMC for creating a decadent dining experience, Heroes Restaurant & Pub for their exceptional bar service, and Chad Davis and James Bell for serving as tonight's auctioneers.

On behalf of our patients, staff, and the entire WMMC Foundation, thank you for making a difference.

MEET THE BAND

JEFF IMBODEN AND HIS JAGGY JAZZ BAND

We're excited to welcome Jeff Imboden and his Jaggy Jazz Band to the Summer Soirée!

Jeff Imboden is a longtime performer, radio DJ, and voiceover artist who's shared the stage with Kenny Loggins, led the One & Only Singers at CMSU, and performed with the UCM Big Band and Moonlight Serenaders.

Tony Shaffer, a multi-instrumentalist and songwriter, has toured with Roy Clark and Moe Bandy, performed with the Leroy Van Dyke Band, and runs ShafferTone Studios.

Alan Wenger, Chair of UCM's Music Department, has played with The Four Tops, Mannheim Steamroller, and the Kansas City Symphony, touring across the U.S. and Europe.

Together, they'll bring timeless jazz and summer vibes to the evening.

SILENT AUCTION

All funds raised tonight support the *Empower Through Early Detection Campaign* at Western Missouri Medical Center, which aims to improve early breast cancer detection. More details about the campaign are available at the end of this booklet.

The silent auction closes **promptly at 7:15 p.m. tonight**, so be sure to place your bids before then!

How to Register

1. Download the Givi App

a. Available on iOS and Android

2. Create Your Account & Register

a. Once downloaded, search for <u>Flamingo Flair: A Summer Soirée</u> in the app and create your account. You'll be able to browse items, place bids, and support the cause directly from your phone.

How to Bid

- Browse items in the app or scan the QR code on any item's description sign to bid directly.
- Enter a bid higher than the current amount and confirm.
- You can update your bids any time before 7:15 p.m.
- Winners will be notified after bidding closes.
- Pick up items at the end of the event.

Questions? Please visit the **Bankers Table** for assistance.

Experience total rejuvenation with this package! It includes one IPL Facial Treatment to refresh and brighten your skin, plus over \$500 in medical-grade skincare products. Enhance your natural beauty with Obagi's Lash & Brow Serum and support hair growth with Nutrafol. A complete, clinically backed package for radiant skin, fuller lashes, and healthier hair! Donated by: ReDefine Medical Spa

Didn't win your item? You can still make a difference.

If you didn't win your bid or simply feel inspired to give, your support can still have a powerful impact.

All proceeds go toward enhancing early breast cancer detection and care at WMMC. Your generosity helps us make a lasting impact close to home.

To give, simply scan the QR code below or visit WMMC.com/Empower.

Prefer another method? Stop by our Banker's Table or email foundation@wmmc.com to explore additional giving options.

ABOUT THE WMMC FOUNDATION

The Western Missouri Medical Center Foundation fosters community awareness and philanthropy in support of WMMC's mission to provide high-quality healthcare that improves the wellness of our region. Putting patients first isn't just something we say—it's at the heart of everything we do.

Through generous gifts of all sizes, the Foundation ensures access to modern facilities and advanced medical technology right here at home—so patients don't have to travel for exceptional care.

Since 1984, and especially following a revitalization in 2015, the Foundation has expanded its impact through a strong Board and seven active committees made up of over 70 local leaders. Together, we've raised more than **\$2.1 million** to support vital improvements and equipment across WMMC.

Some highlights made possible by donor support:

- \$57,000 Patient & Family Care: Comfort suites, charging stations, breathing systems, and more
- \$102,000 Employee Relief Funds: Helping staff through personal hardships
- \$100,000 Pain Center: Added a Radio Frequency Ablation device
- \$260,000 Emergency Department Remodel: Improved privacy, security, and patient flow
- \$250,000 Operating Room Upgrades: Enhanced safety with new sterilization equipment
- \$1.3 million Cancer, Cardiac & Stroke Care: Funded life-saving tools, including the region's only PET/CT scanner

Tonight's event supports the *Empower Through Early Detection Campaign*, an initiative to expand access to advanced breast imaging and improve outcomes for women in our community. Turn the page to learn how your support tonight helps bring this vision to life.

EMPOWER THROUGH EARLY DETECTION

2025 Capital Campaign to Enhance Breast Cancer Diagnosis and Care at WMMC

The Empower Through Early Detection campaign is an active fundraising initiative focused on expanding and improving breast imaging services at Western Missouri Medical Center. With your support, we are bringing advanced technology and faster, more accurate breast cancer screening to the women in our community—right here at home. All funds raised tonight will directly support this effort. Together, we are helping more women detect breast cancer earlier, when it is most treatable.

MEETING A CRITICAL NEED

WMMC has already committed \$25,000 toward necessary construction and upgrades. The WMMC Foundation is working to raise the remaining \$855,000 to fund three essential diagnostic tools:

- Two Fujifilm ASPIRE Cristalle 3D Mammography Machines (one with stereotactic biopsy capabilities)
- One Samsung RS85 Prestige Ultrasound Machine for dense breast tissue

These additions will reduce wait times, improve patient comfort, and lead to earlier, more accurate diagnoses —ultimately saving lives.

MICHELLE'S STORY

Michelle's life was saved through early detection. After attending WMMC's Ladies' Night Out in 2020, she scheduled her first mammogram, leading to the discovery of Stage IIIA breast cancer. Thanks to timely treatment, Michelle is now cancer-free. She says, "If I hadn't scheduled that mammogram, I wouldn't be here today. Regular screenings save lives."

YOUR SUPPORT MAKES A DIFFERENCE

Your support is helping bring life-saving technology to WMMC and improve breast care for women in our community. Funds raised tonight move us closer to our goal—but your impact doesn't have to stop here. Donate today by scanning the QR code or visit WMMC.com/Empower. For other ways to give, email foundation@wmmc.com or call (660) 262-7464.

TOTAL PROJECT COST BREAKDOWN

The total cost of the Empower Through Early Detection initiative is \$880,000, with \$25,000 already committed by WMMC to cover necessary facility upgrades and construction for the new equipment. We are seeking donor support to raise the remaining \$855,000, which will be used to purchase essential advanced diagnostic equipment. To achieve this goal, we are breaking the project into three tangible phases.

Total Project Cost	\$880,000
Amount Committed by WMMC	(\$25,000)
Project Fundraising Goal	\$855,000
PHASE 1: Purchase the Fujifilm ASPIRE Cristalle 3D Mammography System to increase screening access	\$320,000
PHASE 2: Acquire the Fujifilm ASPIRE Cristalle 3D Mammography System with stereotactic biopsy capabilities	\$405,000
PHASE 3: Invest in the Samsung RS85 Prestige Ultrasound Machine for precise imaging and diagnoses	\$130,000

YOUR SUPPORT MAKES A LIFESAVING DIFFERENCE

Thank you for joining us at Flamingo Flair: A Summer Soiree. All funds raised during this event directly support the Empower Through Early Detection campaign. This campaign is designed to enhance breast care at WMMC by adding two additional state-of-the-art 3D mammography machines—one with stereotactic biopsy capabilities—and an additional specialized ultrasound machine. These upgrades will bring significant benefits to the community, including improved early detection, faster diagnoses, and reduced wait times for women in our area.

To learn more about the *Empower Through Early Detection* campaign or to make a donation, visit **WMMC.com/Empower**.

Together, we can transform the future of breast cancer care for the women in our community.
