A Night of Glamour, Giving, and Games

Join us for an evening of refined elegance and enchanting allure in support of Western Missouri Medical Center's (WMMC) *Empower Through Early Detection* campaign. Guests will enjoy casino-style games such as Blackjack, Texas Hold 'Em, Craps, Roulette, and more, with winnings earning entries into cash prize drawings. The night also includes silent and live auctions, decadent hors d'oeuvres, and an open bar.

Empower Through Early Detection

WMMC is committed to enhancing breast cancer detection and care in our community. Early and accurate detection saves lives, and this campaign will expand access, reduce wait times, and improve outcomes for patients in our region.

The \$880,000 project includes:

- Two Fujifilm ASPIRE Cristalle 3D Mammography Machines (one with stereotactic biopsy capability)
- One Samsung RS85 Prestige Ultrasound Machine for patients with dense breast tissue

WMMC has committed \$25,000 toward construction, and the WMMC Foundation has pledged to raise the remaining \$855,000 to acquire these critical diagnostic tools. With this advanced technology, patients will benefit from faster, more precise screenings delivered with greater comfort and confidence.

Be Part of the Mission

Your support helps bring life-saving technology to WMMC and ensures exceptional breast care for women in our community. Every sponsorship, ticket purchase, auction bid, and donation makes a meaningful impact and helps the Foundation reach its \$855,000 fundraising goal.

Explore our sponsorship opportunities and learn how your partnership can make a life-saving impact in the fight against breast cancer. If you have any questions, please contact the WMMC Foundation at foundation@wmmc.com.
