IMPORTANT CHANGES TO OUTPATIENT PRESCRIPTION REFILLS

EFFECTIVE JANUARY 1, 2027

WMMC will no longer fill outpatient prescriptions for the general public. Our pharmacy will continue supporting hospital operations, employees, and eligible patients who qualify for our Prescription Assistance Program (request the brochure).

DOES THIS AFFECT YOU?

- **Have prescription drug insurance?** You must transfer your prescription(s) to another pharmacy of your choice before January 1, 2027, unless you qualify for continued services through our Prescription Assistance Program.
- **No prescription drug insurance?** Meet with a WMMC Financial Counselor to determine whether you qualify for the Prescription Assistance Program.
- **Do not qualify for the Prescription Assistance Program?** You must transfer your prescriptions to another pharmacy of your choice before January 1, 2027.

WHO QUALIFIES?

Household income must be at or below **250% of the Federal Poverty Guidelines.** Eligible patients may qualify for medications priced at the Prescription Assistance Program acquisition cost plus an applicable dispensing fee. Medication availability and program requirements apply.
